A First Article preproduction sample of a programmed part is to be supplied by the Seller and inspected and accepted by the Buyer before normal production programming can commence. Sample will be submitted as indicated below:

- 1. Notify Buyer when First Article is ready for Buyer pickup at Seller's facility.
- 2. Ship First Article sample to Palomar Products for inspection and acceptance.

Seller shall include this form and the completed Seller's First Article Report with the shipment of the First Article sample.

Seller shall not commence normal production programming of items beyond the First Article sample without PPI approval. Final acceptance of all units is at PPI at the conclusion of incoming inspection and tests.
