A First Article pre-production sample is to be supplied by the Seller and inspected and accepted by the Buyer before normal production can commence. The sample will be submitted as indicated below:

- a. Perform dimensional verification per the PPI engineering drawing and record data on form QA05.
- b. Notify Buyer when First Article is ready for inspection / test. Venue for Buyer surveillance will be determined.
- c. Notify Buyer when First Article is ready for Buyer surveillance at Seller's facility.
- d. Ship First Article sample to Palomar Products for inspection and acceptance.

Seller shall include this form and the completed QA05 (if required) with the shipment of the First Article sample.

Seller shall not commence normal production of items beyond the First Article sample without PPI approval. Final acceptance of all units is at PPI at the conclusion of incoming inspection and tests.
